

14th Elementary School Pilsen

The 14th Elementary School is located in the city of Pilsen in the district Doubravka. The school was established in 1974 and it has been having its legal entity since 1999.

The teachers have created a safe and comfortable environment for their pupils. The school is one of the biggest in the city. It is attended by 498 pupils who are divided into 21 classes. The education is led by teachers who are fully qualified. The high standards of education process are guaranteed thanks to the lifelong education and training of the teachers.

Competitive and playful methods promoting mutual cooperation and independence are used in our school. Many project days developing those values are held at our school. Annually there is e. g. the Earth Day or the Health Day or the Christmas workshops at our school.

Teachers apply their individual approach to each pupil and a special attention is paid to children with dyslexia, dyscalculia and dysorthography. A special attention is also given to the prevention of socially pathological phenomena.

There are multimedia classrooms and specially equipped training classrooms with interactive whiteboards

Pupils of our school regularly participate in a variety of competitions and can attend ski or snowboard lessons or language stay in London, which take place regularly.

The school put a great emphasis on the teaching of foreign languages, especially English. Pupils can use interactive whiteboards in their language lessons. Some of our pupils have been working on the international project “The English Expressions Around Us” with our partnership school in the Slovak Republic.

Children can use ceramic furnace in their art classes as well as in their leisure activities. There are also excellent conditions for physical education. There is a gym, a mirror hall a playground and a football pitch. Our school offers a wide range of extracurricular courses and clubs that are aimed at sport as well as art and English language.

The most important goal for us is to develop strong and independent persons and citizens who can face obstacles in their lives in a creative, responsible, polite and successful way.
